## Price list for incident help outside support

Pamela Kiewitt - 2019-09-11 - [0 Comments](#) - in [PrimeKey Company](#)

For standard support customers who need out of office hours or for third party support help, anything not covered in the Support and Maintenance agreement we have a special price list:

### **Professional Services Support**

250 Euro/hour

1700 Euro for a day

This tariff is only applicable when in agreement between the parts, and after a written confirmation via email has been received.
