## EJBCA Software Appliance 2.1 Released!

2022-02-03 - Rubina Akram - Comments (0) - PrimeKey Release Information

We are pleased to announce the release of EJBCA Software Appliance version 2.1.0.

With this release, we have added support for clustering and additional Hardware Security Modules (HSMs). The release also brings extended network configuration using the terminal user interface.

### **Release highlights include:**

- Clustering Support
- Additional HSM Support
- Network Configuration via Terminal UI
- Base OS Update
- New version of EJBCA Enterprise([EJBCA-7.8.1](#))
